

Sneha Desai

Data Scientist

Pune, Maharashtra, India | +91 9823456789 | sneha.d@example.com

PROFESSIONAL SUMMARY

Data Scientist with a strong foundation in analyzing large datasets using Python, Pandas, and Scikit-learn. Deep expertise in Natural Language Processing (NLP) and integrating Large Language Models (LLMs) into production environments.

CORE COMPETENCIES & SKILLS

Python, Pandas, Scikit-learn, NLP, LLMs, LangChain, SQL, TensorFlow

PROFESSIONAL EXPERIENCE

Data Scientist | AI Dynamics

2023 - Present

Led the development of a production-ready RAG pipeline using LLMs and vector databases. Built predictive models using Scikit-learn for customer churn analysis.

Data Analyst | Metric Analytics

2020 - 2023

Cleaned and processed gigabytes of unstructured data using Pandas. Created automated reporting dashboards.

EDUCATION

Bachelor of Computer Science

2015 - 2019

Savitribai Phule Pune University (SPPU)
